

# Britteny & Sam

A compilation of our family moments

# Dear Birth Parents,

A little bit about us- Britteny is a gifted education teacher, and Sam works in law enforcement. We have two sons.

Gavin is 15 and a sophomore in high school who loves participating in the yearbook and taking college classes after school.

Austin is 10 and loves to skateboard and play basketball. He can't wait to teach these skills to a younger brother or sister.

We live in a three-bedroom suburban house on a street with many families and young children. We spend as much time as we can doing activities as a family, such as hiking, traveling to different states, and going to skate parks and lakes. We love our family game nights. Some of our favorites are Aggravation, Clue, and Jackbox. We cherish date nights out to dinner and the movies. We have many traditions we hold close- visiting the farm, having Christmas with our extended families, and our yearly trips out of the state.

We stay active throughout the year ice skating, camping, visiting family, and traveling. We strive to support, nurture and provide countless experiences to our children as they grow into adulthood. We want to thank you for taking the time to learn about our family.

## Who we are:

- Sam, Britteny, Gavin (15), Austin (10), Nala, Ruger (pugs), and Sage (Husky)
- Sam and I met at the gym, and we were gym partners first, and although our gym habit isn't as strong, our relationship progressed, and we got married in May of 2022.
- We like to travel (although would love to travel more, we always do at least one big trip per year).
- Britteny has been a teacher for the last 8 years and worked in juvenile services prior, and Sam has been a police officer for the past two years.
- We live in a normal four-bedroom ranch home in a neighborhood filled with kids.
- Sam grew up on a farm where his family still resides and where we love to go often to see the animals and get out of the city.

**Finally got a good picture of the kids actually all smiling and posing for a picture!**

**We are a family who  
loves to travel, play board games,  
spend time at the farm, and create  
memories with family.**

We also love celebrating special moments  
together and capturing them on our cameras.
