No No Nooky T.V. 1987 Barbara Hammer

An exploration of desire, intimacy, and identity. A sensual artistic statement that pushes the boundaries of storytelling and comments on LGBTQ stereotypes of the 80's. Experimental film. Punishment Park 1971 Peter Watkins

Set in a dystopian America where anti-war activists must choose to suffer from policedriven trials in the wilderness or endure lengthy incarceration for their beliefs. MASSIVE TRIGGER WARNING. Incredibly moving, very difficult to stomach. Social commentary/Mockumentary.
