LOGISTICS SOLUTIONS FOR AN EVOLVING MARKETPLACE

YOUR ONE-STOP-SHOP FOR LOGISTICS, REGARDLESS OF LOCATION OR CAPACITY.

Full Truckload

Armstrong excels at shipping full truckload freight throughout North America. With 55,000 approved carriers, the capacity is in place to move your load.

Flatbed

If you have unique or oversized freight that won't fit in a traditional dry van, flatbed trucks can be the ideal solution for your shipment.

Temperature Controlled

Whether your shipment needs to be chilled, refrigerated or frozen, we will manage every detail. Get real-time updates on your temperature sensitive shipment.

Heavy Haul & Over Dimensional

Some say size doesn't matter: we agree! Over 150,000 lbs? No problem, we've got you covered. Armstrong's Heavy Haul team is experienced in the unique needs of oversized and over dimensional freight.

Expedited

Whether you need team delivery or a shipment by air freight, we have solutions to get your time sensitive freight delivered when and where you need it.

International

Shipping to Canada or Mexico? Specialized brokers will handle the details from inspections to customs brokers at the border.

LTL

From a single pallet to partial truckloads, Armstrong's LTL services can offer competitive pricing with a variety of carriers.

Intermodal

Mile-for-mile rail offers exceptional value for transporting your goods via Intermodal solutions. Trucks running containers to the rail lines provide flexibility for your business.

Shipping Challenges? Our Brokers Got You Covered.

Whether you are struggling with tight capacity, fluctuating rates or more work than your team can handle, we have knowledgeable brokers ready to move your loads.

Individualized Service From an Expert Broker

Competitive Pricing

Brokers utilize Armstrong's buying power and expansive carrier network to provide affordable pricing without sacrificing service.

Excellent Service

Receive personalized service from a dedicated broker who is invested in your success. There are no call centers at Armstrong, a dedicated billing and customer service team will be assigned to your account.

Carrier Network

With over 55,000 approved carriers in our system we have the capacity for your specific requirements. Our team ensures that you are getting the best service from reliable carriers.

Technology

Tender loads via EDI, track your shipments, view paperwork or pay on-line. Our technology is always evolving. Special request? No problem, our software is not one size fits all. Our IT team can customize to fit your needs.
