

CAMPAIGN NEWSLETTER

Issue 6 | March 22 & 23, 2025

“We should grow in every way into him who is the head, Christ, from whom the whole body, joined and held together by every supporting ligament, with the proper functioning of each part, brings about the body’s growth and builds itself up in love.”

(Ephesians 4:15-16)

The Church is one body in Christ, and each of us its members. When every part works together, the body, the Church, grows and flourishes. It is our earnest desire that our St. Frances family should move together as one in stewarding the Church.

We are each called to make sacrifices to build up the Church of Christ, not out of a sense of obligation, but for love of the Lord. In that same vein, keep in mind why our capital campaign matters. It is not a project to build ourselves up or to achieve what we desire in this Earthly life. Rather, it ought to be part of the sacrifice we make for the glory of God in his Church, for the building up of the Kingdom in honor of our Heavenly King, our Lord and our Savior Jesus Christ.

And so, let us move forward with the Preparing Today for Tomorrow Campaign with abundant love in our hearts. Let us undertake this work with earnest and regular prayer. And let us ask God to give each of us the Grace to see and to fulfill whatever good He calls us to do.

Reception Updates & Recognition

The last round of campaign receptions took place this past week. Over the course of February and March, over 150 households attended receptions to learn about the campaign. Father David and the campaign committee thank all parishioners who attended and shared their feedback. The committee has taken your questions, concerns, and suggestions to heart and will continue to communicate with the parish and listen to your feedback as the campaign progresses.

Father David and the committee also wish to extend their sincere gratitude to all the volunteers who made these receptions a success, including the groups that sponsored one or more receptions: Parish Staff, Faith Formation, Knights of Columbus, and the Council of Catholic Women.

Please Welcome Our New Committee Member

In Issue 4 we introduced the Campaign Committee members, each of whom answered Fr. David’s call to serve the parish by helping to organize and run the campaign. This week, we welcome Danielle Skinner as a new committee member. Although Danielle has only been a parishioner for about a year, she is eager to help St. Frances Cabrini grow and she looks forward to getting to know her fellow parishioners better through the campaign.

If you have any questions about the campaign or would like to volunteer, please call our campaign director, Daniel Levesque at (352) 683-9666 or via email at capitalcampaign@stfrances.org.
