

# STAY CONNECTED

Sign up for text messages or download the app

1. GO TO: Website/URL: [national.teamehub.com](http://national.teamehub.com)
2. Register using your employee number for user ID
3. Verify your SS# and DOB then set a password

Enable Text Messaging – Click on “Preferences” in the drop down by your name.

*Find the phone number you want to get texts from & Click “Enable” twice.  
When you get a text to your phone,  
text back “Yes”*

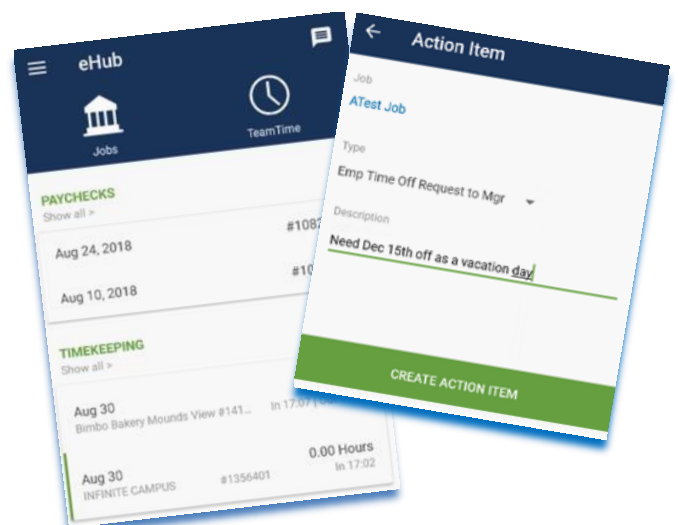

**NOTE:** Can't find the right phone number to enable text messages?

Simply go to “My eHub” then, view your profile. From there, click on the pencil icon to update your contact information.

Download the eHub Team Software app –  
Uses same username, password and URL.

*Get messages, submit requests,  
review time, get your pay stubs,  
benefits and much more...*
