

# WHOLE OFFICE ASSURANCE PROGRAMS

At True Response Dental, we understand the importance of well-maintaining your dental equipment to ensure optimal performance, reduce downtime, and provide quality patient care. Our dental equipment monthly service plan is designed to provide you with peace of mind, knowing that your equipment is in good hands.

## Plan Details

Our comprehensive service plan includes:

- Regular maintenance and inspections to prevent unexpected breakdowns
- Priority scheduling for repair services to minimize downtime
- Discounts on parts for plan members
- Detailed documentation of all services performed

## Price Structure

Our service plan pricing is based on the number of operatories, pumps, and autoclaves in your office. This ensures that you only pay for the coverage you need.

### \*Pricing Tiers\*

- Tier 1: 1-3 operatories, 1-2 pumps, 1 autoclave: \$240-\$480 per month
- Tier 2: 4-6 operatories, 2-3 pumps, 1-2 autoclaves: \$560- \$880 per month
- Tier 3: 7-10 operatories, 3-4 pumps, 2-3 autoclaves: \$960- \$1,360 per month
- Customized Tier: For offices with unique equipment configurations or requirements, please contact us for a custom quote.

HOW IT BREAKS DOWN = @ 80\$ monthly per operatory, pump, or autoclave; Were confident we can fit into your annual budget nicely!
