

**KYALAMI**  
SLIMMING & WELLNESS

## THE BEST WAY TO LOSE WEIGHT (MORE THAN 20KGS)

Our unique developed slimming injection contains unique ingredients to assist with burning fat in the body and speeding up the metabolism to encourage weight loss around the body.

### COMPOSITION

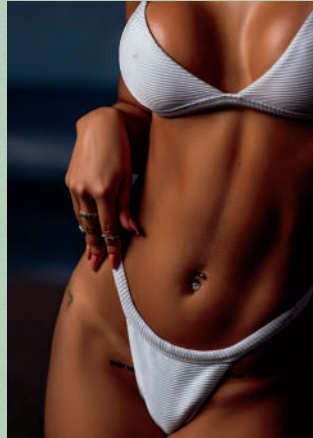

- **L carnitine** – burns fat, assists with reducing visceral belly fat, increases energy by turning body fat into energy
- **Lecithin** – dissolves fat in the body and burns excess fat
- **Vitamin B12** – this vitamin has been discovered to speed up the metabolism of the body tremendously and help to speed up the weight loss process
- **Proprietary blend** – an ingredient that is used minimal in the solution, but aids in the process of the effects of the product

### WHO CAN BENEFIT FROM THIS?

- Overweight individuals
- Individuals with a sluggish metabolism
- Individuals that eat healthy, but does not loose weight easily
