BIO

Drew aka DJ DoubleDown has been a fixture in the Ontario club scene for over 15 years. With roots based in Hip-Hop and turntablism, Drew has become an elite open format DJ who fluidly moves between genres to create a signature vibe every time he hits the turntables.

Preparation is key, and therefore is at the centre of Drew's approach to performing, be it at high energy nightclubs, in sophisticated supper club atmospheres or while providing show support for a performing artist or band.
