More to Come!

Sal Chavez, PE

Project Delivery Manager, Project Delivery

San Bernardino County Transportation Authority

Sal has been with the San Bernardino County Transportation Authority (SBCTA) since May 2021 and serves as the Project Delivery Manager. Sal has over forty-one (41) years of experience in managing and delivering complex freeway, expressways, highway, bridge, interchanges, local streets projects for various governmental agencies. Prior to joining SBCTA, Sal worked for Caltrans for ten (10) years, AECOM (formerly DMJM) for four (4) years, the San Bernardino County Flood Control District for a one (1) year and owned his own engineering company for over 23 years. As Project Delivery Manager, Sal is responsible for delivery of all design-build-build projects in SBCTA 10-year Delivery Plan.

Sal enjoys walking his wife's two dogs (Pickles and Hairy); watching sci-fi movies, and Japanese anime; reading comic works, and working at SBCTA.
