

RC COMPOUNDING SERVICES - Terms of Service

3030 Center Road, Poland OH, 44514 - (330)-707-9001

Welcome to **RC Compounding Services**(rccompounding.com). By using our website or services, you agree to the following terms:

1. Professional Pharmacy Services

RC Compounding Services is a **503A traditional compounding pharmacy located** in Poland, Ohio. We provide customized medications, including **sterile and non-sterile** preparations, exclusively for individual patients.

2. Valid Prescription Requirement

In compliance with federal and state laws, we **only** dispense medications upon receipt of a **valid, patient-specific prescription from** a licensed healthcare practitioner. We do not sell medications "over-the-counter" via this website, nor do we offer online medical consultations or "prescribing" services.

3. Geographic Restrictions (Licensure)

We are currently licensed to ship and dispense medications only to patients located in:

- **Ohio**
- **Pennsylvania**
- **West Virginia (non-sterile compounds only)**
- **Indiana**

If you are located outside these states, we cannot fulfill your prescription.

4. Compounded Medications (FDA Status)

Compounded medications are not FDA-approved. They are prepared to meet the unique needs of a specific patient as determined by a prescriber. While we follow **USP <795>, <797>, and <800>** standards for safety and quality, these medications have not been evaluated by the FDA for safety or efficacy.

5. Veterinary Compounding

For our veterinary patients, medications are intended **solely for animal use** and are not for human consumption. A valid **Veterinarian-Client-Patient Relationship (VCPR)** must exist before any medication is dispensed.

6. User Conduct & Security

If you use our website to request information or start a refill, you agree to provide accurate and truthful information. You are prohibited from attempting to obtain controlled substances through fraudulent means.

7. Limitation of Liability

RC Compounding Services is not liable for any damages resulting from the misuse of medications or information provided on this site. Patients should consult with their prescribing physician regarding any medical concerns or side effects.

8. Contact Information
