Colour Touch Panel Adds Convenience to Business Communication

KX-HDV330

The Panasonic KX-HDV330 is a multi-functional business SIP phone equipped with a colour touch panel for intuitive operation.

Key Features

Colour TFT Touch Panel

4.3-inch Colour LCD
The KX-HDV330's colour LCD gives you a visual understanding of various function-related information, while the touch panel enables easy operation.

Easy confirmation of BroadSoft UC-one presence.

Key Features

Bluetooth

A wireless headset can be used with the KX-HDV330 to enable smooth and easy response to incoming calls.

Bluetooth®

Expandable Function Key

The KX-HDV330 comes standard with a total of 24 flexible function keys. Together with the optional expansion module, this provides up to 224 flexible function keys.

Option
Expansion Module KX-HDV20

Basic Features

HD Voice Quality
The KX-HDV330 incorporates HD SONIC features, such as full duplex, acoustic echo cancellation, and packet loss concealment, in its hardware and software to maximize voice quality and wideband communication performance.

Up to 12 Lines, 2 × Gigabit Ethernet & PoE
Featuring Gigabit Ethernet for comfortable communication, a single unit can connect to as many as twelve lines. PoE compatibility also eliminates the need for an AC adaptor.

Specifications

KX-HDV330
