

PRIMARY CARE * HORMONES * AESTHETICS

FACIALS

DERMAPLANE \$70

Removes dead skin, vellus hair and congestion with no downtime, Products will absorb into the skin better on your smooth and refreshed skin

MICRODERMABRASION \$160

A diamond handpiece is used to remove dead skin cells along with a suction to pull out congestion and oil. This is a non invasive treatment with no downtime.

MICRONEEDLING \$230

Minimally procedure that uses tiny needles to create tiny micro injuries to the skin. The damage creates your skin healing process to produce collagen and elastin. This treatment is perfect for fine lines, scarring, stretch marks and to even out the texture and tone of your skin.

FACIALS

CYTOPEEL

This water microdermabrasion method comes in three solutions depending on your situation. Whether you want to minimize fine lines or rehydrate your skin for a more youthful appearance

ANTI-AGING & BRIGHTENING \$220

This solution focuses on wrinkle reduction and treating sun damage and hyperpigmentation. It boosts the body's natural collagen production and promotes recovery.

ANTI-BLEMISH & PORE MINIMIZING \$200

This soothing solution for congested, oily, and acne-prone skin removes bacteria and debris. It also helps balance your skin's oil production.

NUTRITIONAL SKIN SUPPORT \$155

This solution is especially effective when experiencing environmental stress on your skin, this solution focuses on hydrating and healing your skin. It contains vitamins, antioxidants, and probiotics for a beautiful glow.

FACIALS

STEM FACIAL

Series of 3 treatments

1st treatment \$475

2nd \$315

3rd \$315

STEMFACIAL® MD MATRIX SOLUTION used in combination with the CYTOPEN® allows your skin to absorb a higher concentration of key active ingredients, including Cytokines, Growth Factors, Peptides, Antioxidants, Anti-Inflammatories, Vitamins, and more.

These ingredients accelerate the natural healing response, providing more stimulation of growth factors, offering a faster healing response and reduced downtime.

ZO GLOW & GO FACIAL \$160

This facial will leave your skin refreshed and glowing! Cleanse, exfoliating scrub, stimulator peel (no downtime or peeling), mask, dermaplane and a customized serum.

ACNE FACIAL \$160

This facial is best for clients with congested pores and breakouts. Cleanse, exfoliating scrub, stimulator peel (no downtime or peeling), extractions, complexion clearing masque and a customized serum.

CHEMICAL PEELS

PRO CLINICAL PEEL \$100

Pro Clinical Peel features a powerful, clinically proven blend of acids & antioxidants for a fresh, more youthful appearance.

ZO STIMULATOR PEEL \$150

Powered by lactic, citric, and salicylic acid and other key ingredients, the ZO® Stimulator Peel sloughs away dead skin cells and superficial blemishes to reveal clear, fresh skin underneath. This deep exfoliation leaves your skin with an amazing glow – without any downtime.

At the same time, the ZO® Stimulator Peel also stimulates the growth of both collagen and elastin, elevating your overall skin health.

THE PERFECT DERMA PEEL \$290

Safe and effective medium depth peel for all skin types. The Perfect Derma Peel is the only peel that contains the powerful antioxidant Glutathione, which lightens and brightens the skin, slows down the aging process and helps prevent wrinkles.

LASHES & BROWS

LASH LIFT \$65

A lash lift is essentially a perm for your lashes that offers eye-popping results by creating a natural curl and lift to your lashes

BROW LAMINATION \$85

Brow lamination is a chemical treatment process to the eyebrow hair, in which the intention is to take out any of the curl or kinks or texture and make the brows lie very flat and straight. Once the brows are chemically straightened, they can be repositioned into a "full, lifted shape.

LASH/BROW TINT \$30

Tinting makes lashes and brows look fuller and more voluminous!
