

## Dental Assistant Permit Acknowledgement\*

To obtain a Dental Assistant Permit in the state of Oklahoma you must complete an application which falls under the following guidelines.

- If you have a felony or misdemeanor conviction for any type of drug charge, you may be disqualified to obtain a permit. Before you may appear before the Board, you must first obtain a waiver from the Oklahoma Bureau of Narcotics (OBN) and United States Drug Enforcement Agency (DEA). No doctor or dentist that has a DEA Drug registration may employ someone with certain types of drug history or they may lose their drug registration.
- If you are on an active sentence for any type of criminal act (not including traffic charges, DUI, and/or DWI), the Board may not approve your application until your sentence has been resolved.
- You MUST disclose ALL arrests even if the case was deferred, dismissed, expunged, or in another state. Our background checks WILL show these things even if you do not have a conviction.
- You must complete an application in full, provide a COLOR copy of your ID or Driver's License, AND complete the 3rd page affidavit and have it notarized.

The following questions will be asked on the 3rd page of the permit application.

1. Have you been suspended from practice, reprimanded, censured, or otherwise disciplined or disqualified as a Dental Assistant from any State or Licensing Jurisdiction, or are you currently under any investigation?
2. Have you been arrested for any crime or the subject of ANY disciplinary action by ANY government, jurisdictional, or licensing authority; Federal, State, or Municipal, other than speeding tickets, even if the case was deferred, dismissed, or expunged?
3. Since your last renewal, have you been convicted of, or pled guilty to, or no contest to any offense related to controlled dangerous substances, a DUI, DWI, or APC?
