

Toby's Friends

Pet Loss Support

Counseling Agreement

I recognize and agree that our sessions are for the purposes of pet loss support only. I understand that this is not therapy of any type. Should issues come up that need addressing which are beyond the scope of pet loss, a recommendation for a licensed therapist (s) will be provided.

I understand that the cost of each **group** session is \$15 which needs to be paid before the time of the session. If this session is being conducted by zoom, skype or telephone, I understand that the session must be paid for in advance through Paypal, Zelle, Venmo or other online service.

I understand that I need to give 24 hours' notice if I need to change or cancel an appointment.
