

2024 Cobb County Metro League Tie-Breakers

1. Cumulative head to head record in games involving tied teams. **(Cumulative because it may involve more than 1 team)**
 - a. Example:
 - i. Team A, B, and C are tied for 4th place
 1. Team A is 1-0 vs. B and 0-1 vs. C = 1-1 cumulative
 2. Team B is 0-1 vs. A and 0-1 vs. C = 0-2 cumulative
 3. Team C is 1-0 vs B and 1-0 vs A = 2-0 cumulative
 - b. In the scenario provided, team C would clinch the 4th seed
 - c. Team A and B would then be tied for 5th. We would evaluate their record head to head to determine 5th place.
2. Teams win / loss record against the highest seeded team. (If record against highest seeded team is the same, go to next highest seeded team all the way through all teams)
3. Cumulative runs allowed in games played between tied teams
 - Example 1: if there was a 3 way tie for a placing (example: 1st place)
 - Team A beat team B 4-0
 - Team A lost to team C 6-2
 - Team B beat team C 7-1
 - Team A allowed 6 runs cumulatively
 - Team B allowed 5 runs cumulatively
 - Team C allowed 9 runs cumulatively

Team B = 1st
Team A = 2nd
Team C = 3rd
 - Example 2: Team A and B are tied for a placing (for example 1st place)

Game 1 A defeated B 3-2
Game 2 B defeated A 6 – 1

A allowed: 8 runs
B allowed: 4 runs

B = 1st
A = 2nd
4. Runs allowed against highest seeded team (If record against highest seeded team is the same, go to next highest seeded team all the way through all teams)
5. Cumulative runs allowed in all region games played.

6. Cumulative run differential in region games. (largest differential is tie breaker)

****If there is more than a two way tie and any team is knocked out or secures a seeding due to the criteria stated in the rules, tie breakers start over at 1*****
