

Uniq foam, unique selling points

high yield product save up to 70% on sanitizer product
 5 liter 5000 uses before refill needed (1 liter 70% alcohol only 333 uses needs refill)
 low weight and volume shipping (in powder form)
 Derived from natural and 100% organic ingredients (eco label)
 99.9% disinfection (laboratory tested with 1ml per user) (against 80% alcohol)
 the foam has the same disinfectant effects as 80% alcohol, without drying out the skin
 Skin friendly and pH neutral NO alcohol
 By adding Jojoba oil with a wonderful mixture of natural antioxidants, Vitamin E and important fatty acids, hand moisture balance is regulated leaving the skin feeling hydrated.
 Does not have storage restrictions
 No expiration date
 Vegan and Halal approved
 Based on proven reports and research
