

Feedback from student parent

"I just so love and appreciate EVERYTHING about this class. It is amazing to me that so many kind people would do this for us. I can't tell you the difference it has made in my life." - Rachel W

A nurse whispered to me "she won't do a thing" - but she did. Every step, in her own way, but it was lovely and perfect!

J. Champlin, Instructor

"My child attended on a full scholarship and wouldn't have been able to attend otherwise. Scholarship opportunity amazing. Very important and very grateful." Parent
