Annual Report Outcomes Review

The Advisory Committee reviewed the institution's Annual Report outcome rates for the reporting years 2023 and 2024. The committee noted that the school achieved a **100.00% Graduation Rate** and **100.00% Placement Rate** during the 2023 reporting year. The **Licensure Rate was 0.00%**. For the 2024 reporting year, there were no students available for graduation; therefore, Graduation, Placement, and Licensure Rates were reported as **N/A**.

The Committee discussed the importance of maintaining strong student retention and employment outcomes while continuing to strengthen licensure preparation activities. The Committee recommends continued monitoring of graduate progress and licensure attainment to support future outcome rate improvement.
