The California Emerging Leaders Program supports, trains, and mentors conservative high school and college students who want to learn more about public service, network with each other, and become the next generation of conservative leaders in their community and on their campuses.

We're hosting a special CA Election 2022 Social Mixer with alumni, current students, prospective students, and parents! We'll hear from notable speakers on the national, state, and local election landscape – and we'll discuss opportunities for students in the program!
