

# Custom Built Sheds and Garages

CRAFTED  
**SIGNATURE** | BARNS

Whether it's a spacious storage shed, inviting garden shed, elegant garage, or a charming guest house, our beautiful collections offer you the style, space and flexibility your lifestyle demands.

Designed and built to enjoy for years to come, our handcrafted structures promise you quality and versatility sure to exceed your expectations. Choose from two special collections that include a wide range of styles.

Our Signature Collection boasts a long list of attractive options that will set your structure apart, while our Crafted Collection includes a full range of basic storage solutions built with a focus on affordability. Of course, both collections offer you outstanding quality for lasting beauty and durability.

## Classic

With so many special design details, our Classic collection is a perfect choice when you want to enhance your landscape while satisfying your storage needs. Choose the colors, options and finishing touches that set your shed apart from all others.

## A-Frames

With clean lines and an appealing classic shape, the A-Frame is a stylish storage solution that fits perfectly into suburban landscapes of today. Add a cupola for a charming finishing touch.

## Manchester

With its warm and elegant design, the Manchester Gardening Shed invites you to store, care and appreciate your plants by creating a serene tranquil environment for you and your plants to enjoy.

## Quaker

With its distinctive overhang, our Quaker design adds appeal to any backyard. Great functionality and no-nonsense style make it a popular choice for many homeowners.

## Hip Roof

For an added touch of class, our Hip Roof collection is a great choice. Available in a variety of sizes and styles, this stand-apart design elevates any storage shed to something quite extraordinary.

## Guest Houses

Whether you desire comfy space for out-of-town visitors or a backyard studio or getaway for yourself, our collection of Guest Houses offers you lots of beautiful choices, including optional porches for outdoor enjoyment.

## Garages

For cars, trucks, tractors, boats and more, our full line of quality Garages includes all our popular storage shed styles. With steel overhead doors and heavy-duty floor supports standard, you can count on top-notch durability and performance.

## Barns

For great storage capacity combined with equally great style, our Barn designs deliver! Built with plenty of room for mowers and small equipment, as well as tools, bikes and toys, our barns keep backyards clutter-free while adding classic charm to any landscape.

## Gallery

We invite you to view our gallery, where design and functionality meet creating elegant and sophisticated environments for you and your guests to enjoy.

# SITE PREPARATION RECOMMENDATIONS

## Site Preparation 4" to 6" modified stone base

- Use 4" x 4" or 6" x 6" pressure treated timbers and outside perimeter of stone base.
- Make sure timbers are leveled.
- Fill stone evenly to the top of timbers. Stone base can be made 12" wider and longer than normal size.
- Check with local authorities about building permits.

## Skid Placement
