Rylee's Blog

March 24, 2023

All library friends! It's me, Rylee! I can't believe it's been over a month since I last posted... so sorry but me and Mama have been busy! Here are some photos of all the fun I've been having down here in sunny warm Florida! Getting ready to spend St. Patrick's Day cheer at the nursing home I visit. Me and Mama at the beach waiting for the sunset. I got to run and chase the birds on the shoreline before this. Then some nice lady asked to take our picture, cuz she thought I was so pretty! I loved watching the fish at the nursing home! Me at the beach... It's still not too sure about those waves!

Sm-Ar-Ti-Es Science Club meets next on April 13th.

Meeting at 3:30 PM on the 2nd Thursday of each month, Sm-Ar-Ti-Es Science club presents a specific topic by reading a short picture book together, then doing a related group project or craft. This encourages children to explore and experiment with science.

SIGN-UP IS REQUIRED
