HOLIDAYS & WEATHER CLOSINGS

WEATHER CLOSINGS

Safety is our highest concern. It is advisable to call ahead to confirm that we are open for the day. In unsafe weather, decisions are based on the safety of road conditions, the safety of foot traffic on our walkways and entryways, and the safe removal of snow and ice from our front and back parking.

In extreme weather conditions, tune to WMUR for updates regarding the library closing. In the event of a delayed opening, all morning programs are canceled. Please tune to WMUR for updates.

Please note that during the school year, if Alton Central School and Prospect Mountain High School are closed due to inclement weather conditions, the Gilman Library will be closed and all library-sponsored programs will be canceled.

If inclement weather and poor travel conditions occur in the evening, on a weekend, or on a school vacation day, the library may be closed, delay opening, or close early, at the discretion of the Library Director. In all cases of library weather closings, please check with WMUR for the latest updates.

OUR VIRTUAL LIBRARY NEVER CLOSSES.
