Gilman Library is pleased to offer a Northstar Digital Literacy Class, presented by the Carroll County Adult Education. The “Basic Computer Skills Series” is a FREE class scheduled on three Saturday mornings during the month of March.

Pre-registration with a firm commitment to participate in all three sessions is required. Students must use a laptop computer equipped with Windows 10. For more info or assistance, please visit the library or call (603) 875-2550.

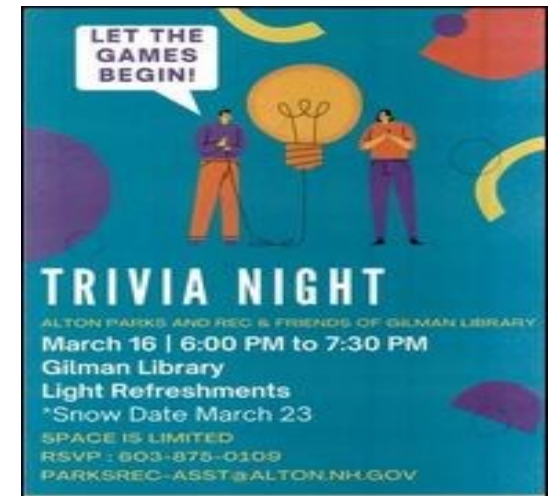

Instructor Donald Campbell will conduct the 90 minute Saturday sessions from 10:00 to 11:30 AM on March 11th, 18th, and 25th, in the Agnes Thompson Meeting Room, on the lower level of the Gilman Library, 100 Main St., Alton. If a class is canceled, due to weather, the scheduled class will be held at the same time the following week and all subsequent classes will be re-scheduled accordingly.

The class is limited to fifteen students, Early registration is strongly advised. Further details are posted on the library website at gilmanlibrary.org. To register or for more information, visit the library or call (603) 875-2550.

The Teen Zone

Located in the left end of the Margaret E. Kayser Room, we have a section set up for teens to relax, read, watch a movie, study, hang out, listen to audiobooks or music, play board games, and much more! Check out our new arrivals magazines, and special displays.

Sm-Ar-Ti-Es Science Club meets next on March 9th.

Meeting at 3:30 PM on the 2nd Thursday of each month, Sm-Ar-Ti-Es Science club presents a specific topic by reading a short picture book together, then doing a related group project or craft. This encourages children to explore and experiment with science.

SIGN-UP IS REQUIRED
