LESSON 4

Genesis 4:1-25

The Descendants of Adam And Eve

Introduction

God gave Adam and Eve an assignment, “Be fruitful and multiply.” That is, they were to produce children and raise a family. This family would grow larger and larger. Psalm 127:3 says, “Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.” In other words, children are tremendous a blessing from the Lord. My wife and I can witness to that after having three. Children can bring their parents much joy. Along with the joy is responsibility. On the other hands, children can be a burden, particularly when their behavior does not line up with their parents wishes. Parents have to accept and work through the joys and the burdens caused by having and rearing children.

The sin of Adam and Eve carried over into their children as we will see in this chapter. In today’s lesson we will see the downward spiral of sin and its awful consequences.
