

Equip your business with online ordering and curbside pickup.

Get the payment solutions you need to meet the demands of the day. Equip your business to serve customers and get paid with mobile payment devices for curbside pickup.

Payanywhere 3-in-1 Bluetooth Credit Card Reader

Pair it with your own mobile phone or tablet and the powerful Payanywhere app to accept NFC contactless, EMV chip card, and traditional swiped payments.

Payanywhere Smart Flex and Smart Terminal

Accept NFC contactless, EMV, and magstripe payments all from the same device while giving the customers the options to have a receipt printed, texted, or emailed.

Amber Systems Technologies

PARADISE
POS

Accept payments through Softpoint's program as an integrated device with your POS system* in the same fashion as you would do ordering and pay at the table.

*POS system must be on the integrated devices list. Ask for more details.

The 6IX POS curbside solution starts at just \$149 a year and works with the Payanywhere Smart Terminal and Smart Flex.

A complete mobile POS solution with built-in printer, 5.5" screen, and an 8-hour battery life.

When the mobile reader is connected to an iPad running Paradise POS through Bluetooth, you can utilize the full POS system as well as take payments at the curb.
