

## ***Reelect Jim Hart To County Board District D***

***My name is Jim Hart and I'm running for reelection to the County Board in District D.*** I was born and raised in Illinois and have lived in Freeport for over 10 years. My wife and I moved here so she could teach special education at FSD 145. We have been married for 38 years and have two adult children.

***I have spent my professional career in risk management and commercial insurance.*** I was a vice-president and officer at the largest such company in the world, a partner in a regional brokerage firm, and formed additional companies. ***My well-rounded business experience has given me a good perspective on the County Board.***

***I'm running for reelection so I can continue being a responsible, common sense leader in Stephenson County.*** We need people in office who are open-minded, look at both sides of issues, and don't just blindly follow party doctrine. I have been and will continue to be that County Board Member. ***I hope I will earn your vote on November 5<sup>th</sup>!***
