**God, we recognize you as a God of growth and nurturing. Forgive us for the times when we forget to see the possibilities and focus instead on the limitations. Forgive us for the times when we are too tired or too busy to care for our growth and the growth of others. Help us to grow more fully into your image. God of seeds, help us to appreciate that all that we are and all that we can be is present in a child. Teach us to cherish, nurture, and encourage. Guide us in seeing the potential of even the smallest of seeds. Amen.**
