PUPPY INTEREST:

Are you looking for: ☐ Show Home ☐ Pet Home ☐ Breeding ☐ Show owning/breeding quality with Park Place Swissy?

Why are you interested in a Greater Swiss Mountain Dog?

Who will be the primary caregiver?

How many hours per day will the puppy be alone?

What are you interested in doing with your Swissy? (family pet, guard dog, conformation, obedience, weight pull, carting, backpacking, hiking, agility, therapy dog, rally, etc).

CARE & TRAINING:

Where will the puppy primarily live indoors or outdoors?

Where will the puppy sleep at night?

How do you intend to train and socialize the puppy?

Where and what type of training class will you take?

How will you handle behavioral challenges?

To what extent will you use a crate?

Are you willing to stay in contact with us for life, notify of us good and bad?

☐ Yes ☐ No

Are you aware that Swissy's are not very easy to house train and often times are not reliable until 9 months of age or even older? Will you be able to accept this? ☐ Yes ☐ No

We do not recommend spay or neutering until a min of 2 years of age and do recommend ovarian spay for our females.

FEEDING

Our Swissy puppies are raw fed (they are fed fresh meat and edible bone that can be purchased at the grocery store) when they are sent home with you. We understand that many puppy homes are not familiar with raw feeding. We will provide you with helpful information before you bring your puppy home. Would you be willing to continue raw feeding when you bring them home? ☐ Yes ☐ No
