

WHAT IS COMMUNITY WISE?

Community Wise is a voluntary organisation run for the benefit of all residents in the surrounding area.

In particular:

- To Witness to the truth of God's love for all through Jesus
- To Serve the Community and promote Community Spirit
- To Encourage and Support family life, parents, children and young people
- To Value Individuals, identifying and responding to their needs

It does this by:

- Providing community facilities at low cost
- Actively encouraging the development of new groups as and when needs have been identified and opportunities arise
- Envisioning and supporting staff and volunteers
- Working in partnership with other agencies

Community Wise's vision is to encourage vibrant community life for all through Christian faith in action.
