

Hiking Trail No. 2 starts at the West end of trail No1 at the sitting bench on N Via Alamos and works its way down to parallel the concrete flood control wash on the south side of "The Villages".

It turns North at the alley on the West side of Rio Santa Cruz and crosses Rio Altar in a northerly direction into the common area between San Ignacio and Rio San Pedro, through which it connects to Trail No 1 and back to the club house. Total distance is 1.02 miles.
