- Election results will be announced at the Annual Members Meeting.

From you Elections Committee:

*"Your vote counts in order to establish a quorum (51%) for a valid election. Vote for a candidate. Or write in a candidate. If you do not wish to cast a vote for any of the candidates or write in a candidate, select ABSTAIN. In all cases, select SUBMIT for your ballot to count towards the quorum requirement. If a quorum is not established, there is essentially no election, positions become vacant and your Board becomes less able to fulfill varied functions upon which all residents rely."*
