

Mark Your Calendars . . . or iPhones . . . or tablets . . . or whatever . . .

The Social Committee has set the dates for pot luck events as follows. Pot lucks are held year round on the 3rd Wednesday of each month in Lounge 1 of the Rec Center.

Dinner is served at 5:30pm. Come earlier (5pm) with your dish to allow time for set up.

Remember to bring your own table service, a serving piece for your share item, and your choice of beverage. Ice will be available. If you would like to brighten your table with colorful placemats and/or a centerpiece, you are encouraged to do so.

If any folks would like to stay later than the hostess of the evening, we simply ask that you wipe off your table and be sure all trash is picked up and disposed of. Also remember to turn off the lights and fans when you leave the building. The security patrol will double check and lock the building later in the evening.

If individual hostesses choose a theme or have additional details about a given date, that information will be passed along to residents in the reminder email which is sent a week before the event. **If you have not provided the office with your email, you can call Linda at (520) 625-9851 and be added to the list. It's a great way to keep up with what's happening in the neighborhood.**

The pot luck events have been very well attended. They are free and we encourage you to invite new neighbors and friends from other places in Green Valley. Lots of good cooks—an abundance of good food.
