Tracy Wesinger,

*Owner, operator Gallery in the Pines,
teaching art for over 20 years*

Mrs. Wesinger has written a curriculum for drawing and painting that includes a step by step process on how to accurately portray a subject. It includes the know how to correctly understand the techniques necessary to complete a painting well, with good composition, perspective and color principle. With over 600 students passing through her classroom, she has learned to appropriately help begin-ners and very advanced painters as well. Please consider coming with a notebook.
