OUR HISTORY

New Vineyard Christian Academy, proudly known as the “*Home of the Tigers*,” is located in southwest Jackson, Mississippi, near the city of Byram. Since its inception, the Academy has remained committed to excellence in academic programs, highly qualified educators, and strong student achievement.

The Academy was established in the summer of 2014, initially serving school-aged children through a summer camp program. As the need in the community grew, the school expanded to include an afterschool program, continued summer enrichment, and a preschool program. In the fall of 2020, New Vineyard Christian Academy further expanded its academic offerings by launching its Kindergarten through 5th grade elementary program.

New Vineyard Christian Academy takes great pride in fostering strong parental support and active community involvement. The school has developed meaningful partnerships with local churches and businesses, strengthening its mission to serve students and families holistically.

Since its founding, the Academy has operated under the consistent leadership of Gregory L. Divinity, Sr., Senior Administrator. Under his visionary leadership, the school has successfully established a comprehensive range of programs, including summer camp, preschool, afterschool care, elementary education, and tutoring services. In addition, the Academy operates a year-round feeding program, along with a dedicated At-Risk Youth Feeding Program designed to serve children in the community who are at risk of hunger. In the fall of 2020, two new playgrounds were also constructed to enhance the student experience.

As New Vineyard Christian Academy continues to grow and evolve, it remains committed to being a source of excellence, support, and inspiration. It is our prayer that the Academy will continue to be a lasting blessing to the families and community it serves.

When a child's conduct is excessively disruptive or endangers others riding the van, he/she will be excluded from the van until the school can be assured of acceptable behavior.

CHANGE OF ADDRESS/PHONE NUMBER

It is vital in the educational process to be able to contact parents/guardians via phone and mail regarding student emergencies, behavior, progress, and other pertinent information. If your phone number or address changes during the year, please notify the school office so that this information can be updated immediately.

Note that all balances must be paid before any records will be released.

- ❖ Parent/guardians will be notified of each field trip.
- ❖ Some field trips may require a nominal fee for student participation.
- ❖ Parent/guardian may be required to escort a child on a field trip due to his/her behavior.
- ❖ In some cases, a student may be denied going on a field trip; should this occur, the parent/guardian will be notified.

LIBRARY SERVICES

If books are lost, the parents will be notified, and the student's book check-out privileges will be limited until the book is found or the replacement fee is paid.

LOST & FOUND

Articles found in the building or on school grounds should be turned into the office. Articles not claimed by the end of each month will be discarded or donated to charitable organizations. To assist in recovery of lost items, please ensure items have your child's name written on them.

TEACHER SPONSORED ACTIVITIES

There are times during the year when teachers offer before and after school activities for students. Some examples of these activities are celebrations, tutoring, and chorus/play practice. Permission slips will be sent to the parent/guardian when these activities are offered.

TELEPHONE USE

The office telephone is for business calls. Students may use the office telephone only in case of an emergency and with written permission from the teacher.

Please do not allow your child to bring large amounts of money and/or other valuable items to school. New Vineyard Academy is not responsible for lost or stolen items.

HEALTH POLICY

ADMINISTERING MEDICATION ON FIELD TRIPS

If your child is administered medication at school daily, when attending a field trip, the director will send a single dose of the medication with the teacher or instructional assistant who has received training from the director. If your child uses a multi-dose inhaler at school, the one you provided will be sent on the field trip. The only medications that can be given on field trips are the ones for which a permission form, signed by the doctor and parent, is on file with the director.

FACEMASK

COVID-19 can be spread to others even if you do not feel sick. A **cloth face covering** helps prevent a person who is sick from spreading the virus to others. Students 2 years and older are required to wear a face mask to school daily and will be encouraged to keep the mask on in class, during instruction, while in the hallways and when approaching others. Social distancing will be practiced throughout the day.

Epinephrine Pen (Epi-Pen) – If your child has a severe allergy that requires use of the epi-pen while on a field trip, they will have to go to the hospital emergency room for follow-up care. The student's emergency form will cover ambulance transportation; however, an adult, who is related to the student, will have to provide authorization for the emergency room to treat your child. For this reason, it is requested that you or another responsible adult family member accompany the student on the field trip.

INSULIN DEPENDENT DIABETES- If your child has insulin dependent diabetes, it is requested that you or another adult family member accompany the student on any field trip when blood sugar testing or insulin administration may be needed.

Parents are called if their child has a fever or appears to be suffering from an illness or injury. **To ensure prompt notification it is critical that all emergency forms are current.**

LIMITED PHYSICAL ACTIVITIES

If a health condition prevents a student from participating in physical activities over an extended period of time, a note from the doctor indicating the limitation is required. For a student to be excused from physical education for a short period (up to three days) due to a temporary illness or physical condition, a written request from the parent is sufficient.

MEDICATION POLICY

Medication must be kept in the office and administered by the school principal, or the person designated by the principal to give medication. Over the counter medications are not permitted. Guidelines for administering prescription medication within school are as follows:

1. A Request for Medication Administration form must be completed and signed by the student's doctor/dentist and parent/guardian.
2. The completed form and the prescription, which must be in the original container with the pharmacy label intact, should be given to the director or principal's medical designee by the parent/guardian of the student.
3. Medications must be brought to school by the parent/guardian and not the student.

COMMUNICABLE DISEASES/ILLNESSES

All students returning to school after contacting a communicable disease (including, but not limited to, chicken pox, strep, pink eye, etc.) must present release from the doctor's office or health department before they may be admitted to class.

SICK CHILD

Parents and guardians are urged to keep their child at home if he/she shows signs of illness. This is for his/her own good as well as for the protection of the other children. If your child becomes ill at school, you will be notified. Should he/she have a contagious disease, please notify the teacher immediately so the other parents can be notified. If your child has been absent because of a contagious disease, including strep, please bring a note from the doctor saying he/she is no longer contagious. Your child must be free of fever for 24 hours before returning to school.

SCHOOL LUNCHES

Breakfast snack, a hot lunch, afternoon snacks, and dinner, including milk, are available each school day free of charge to the student. Additional beverages and snacks may be purchased separately. Kindergarten: Your child will be given the papers he/she has done each day before going home. Please take time to look at them and discuss these papers with your child. Again, this is enforcing the concept to your child that his/her school activities are important. There may be comments or suggestions on the papers which will help your child. We ask for your cooperation in carrying them out.

MAKE UP WORK POLICY

It is always the responsibility of the student to make up missed assignments. Failure to do so will result in zeros for tests and daily assignments.

If the student does not have access to the assignments, please call the Director by 10:00 a.m. so that assignments may be picked up in the school office between 2:00 pm and 4:00 pm.

If a pattern of habitual absences during scheduled tests is recognized, a student will be warned, then will forfeit all opportunities to make up the test or tests missed. A grade of zero will be given for each test missed.

If work is missed during the last week for a reporting period, that work must be made up and graded before report cards will be issued in those subject areas. The director and teachers will determine the need for an extension of established make up time. It is the student’s responsibility to contact each teacher about making up work.

PROTECTION OF INSTRUCTIONAL TIME

Between the hours of 8:00 a.m. and 3:00 p.m. classes may not be interrupted, except with permission from the office. This uninterrupted instructional time during the school day is vital to your child's academic success. Students coming to school tardy and students leaving before the end of the day miss valuable instructional time. This loss of time greatly impacts your child's achievement. It is an expectation, as well as a requirement, that we protect instructional time from unnecessary interruptions and other distractions.

CLASS PROMOTION REQUIREMENTS

Students who fail one or two major subjects (Reading, Language or Math) for the year will be required to successfully complete and pass a summer program. The summer program must be provided by or approved New Vineyard Academy School. Students who fail a minor subject must complete summer work as assigned by administration. Failing any three subjects typically results in the retention (failure) in the current grade.

GUIDANCE SERVICES

The guidance program exists to facilitate the growth and development of students as they progress through school. The counselor confers with parents and students concerning scheduling, academic achievement, test data interpretation, college and career decision making and personal counseling. Guidance services are an essential part of the educational program. The guidance program is designed to complement both instruction and administrative functions. Students are encouraged to see the counselor anytime a need arises. Conferences will be scheduled with students throughout the school year.

PROGRESS REPORTS/REPORT CARDS

Communication between school and home is encouraged. Progress reports and report cards are sent to parents/guardians during every nine-week grading period to inform them of the students' progress. Please sign and return the reports promptly to the school the following day. Informal reports and graded papers are also sent home by the classroom teachers on a regular basis. Teachers should be contacted immediately if parents have questions concerning their children's progress. Teachers are required to post all test grades within 3 days of the test.

CONDUCT/ SCHOOL RULES

Schools provide an environment conducive to learning and to the development of each student's full potential. Guidelines have been established to maintain the environment and to provide for the safety and well-being of students. School regulations apply in the school building, on the school grounds, while traveling to and from school, and at events where the school is represented.

Disruptive students who interfere with the educational process and/or do not comply with the regulations and procedures are subject to administrative action. Please be sure that you and your child become familiar with the code of conduct. Computers at the school are to be used for academic purposes only with the following policies. If a student fails to abide by these policies will have his or her privileges to use the computers revoked and will be subject to disciplinary consequences.

SOCIAL NETWORKING POLICY

Students may not use any type of technology at any time or place that has a negative effect on themselves, other students, staff, and the reputation of New Vineyard Academy.

TEXTBOOKS

A book fee is charged for each student to help defray the school's cost of textbook purchases. It is the student's responsibility to take care of their textbooks. When a student loses a textbook or worktext book, they are responsible for purchasing the book. The cost of the book will be determined by the cost for the school to replace the book.

CONDUCT AND DISCIPLINE

It is imperative that students develop a perceptive awareness of high standards of behavior. This will enable young people to transition from childhood to adulthood. The primary responsibility for the conduct of a student rests with the students and his/her parents. Every effort will be made by administration to impress upon the students and the parents that discipline and order will be adhered to. Administrators and teachers will hold students account for any disorderly conduct a school and at school sponsored activities.

METHODS OF DISCIPLINE

In the classroom, disciplinary cases will be handled by the individual teacher in harmony with their own methods and abilities consistent with the policies of NVA. Methods of discipline will include missed recess, corrective writing, missed center time, or behavioral report to parents. Students will be assigned work at prescribed times. The amount will be according to the offense.

Detention: Early morning detention and Saturday detention will begin as assigned. Early morning detention will begin promptly at 7:00 a.m. Saturday detention will begin at 8:00 a.m. and will last until 11:30 a.m. All students should come prepared to work in detail. All work assigned during detention will be completed. Reasons for detention will include but not limited to the following disrespectfulness, tardiness, skipping school, and failure to comply with classroom rules.

IN-SCHOOL SUSPENSION

Students will be isolated from other students and will be assigned academic work in each subject area. Work should be completed by the end of the school day. In-school suspension carries a daily grade of zero, which cannot be dropped. All tests missed may be made up at make-up test times. In-school suspension (ISS) rules-an ISS student is to report to the designated in-school suspension area at 7:00

a.m. The student is to bring all assigned textbooks to the ISS area. The student is to remain in the designated suspension area until the monitor comes to get him/her. The students will not be allowed to talk or visit with other students.

Students assigned to ISS will not be allowed to participate in extracurricular activities for the day or part of the day served. No student will be penalized for two (2) days of extracurricular activities when serving two part-day ISS. In the event that a student needs to serve two (2) part days of ISS, the student will

miss the extracurricular activity for the day that most of the ISS is served. Failure to follow these rules could result in additional disciplinary action.

Reasons for In-school suspension will include but not limited to the following: excessive tardiness, cheating, profanity, disruption of school function, disobedience, disrespect. Insubordination, insulting language or behavior, obscene language or gestures, malicious mischief (intentional), use of possession of tobacco-like products, indecent display of affection, use or possession of fireworks, explosives.

BEHAVIOR PROBATION

A behavioral contract will be established between the students and administrators outlining the probation period, expected behavior and consequences. This contract will be signed by the students, parent(s) and administration.

OUT OF SCHOOL SUSPENSION

A student may receive an Out-of-School suspension from an administrator. Absences due to OSS are considered unexcused and will result in a grade penalty. A student who has been expelled may be readmitted only by appearing before the Admissions Committee with his/her parents and applying for readmission for the following year. Reasons for Expulsion will include but not be limited to the following use of possession of drugs, possession of weapons, hitting, striking, or threatening school personnel.

Note: This handbook does not address every situation, question, or problem that may arise. Any situation, question or problem that arises is not covered in this handbook will be left to the discretion of the Administration.

Tuition is due by the 1st day of attendance each month, no later than the 2nd of each month. All certificate co-pays are due on 3rd of each month.

DELINQUENT ACCOUNTS/RETURNED CHECKS

Payments not made by the 2nd day of the month will be assessed as a \$25 late fee to the account of each child per day until the balance has been paid in full. If full payment is not received by the second day of the month, your account will be considered seriously past due. If full payment is not received by the 5th day of the month, your child cannot return to school until your account has been paid in full. If you withdraw your child without paying the balance due, your account will be terminated and will be submitted to a collection agency and reported to all three credit bureaus.

After the second returned withdrawal/check NSF you will be required to pay by money order or credit card, thereafter, or be subject to disenrollment from the school.

LATE PICKUP CHARGES

If a parent realizes that circumstances beyond their control are going to delay pick-up, a phone call is requested. This is important as many children fear they have been forgotten when parents do not arrive at their usual time. A late fee of \$2.00 per minute per child will be charged after 6:00 pm. Please remember our staff members are anxious to get home on time to their families and commitments.

WITHDRAWALS/TERMINATION OF CARE

If for some reason you decide to stop bringing your child(ren) to New Vineyard Academy, we require a two-week written notice. This will give us time to find a child to fill your child's spot. Payment is due for the two-week notice period whether or not the child is brought to school Any outstanding fees must be paid on or before the child's last day.

If it becomes necessary for New Vineyard Academy to resort to legal action to collect fees, the parent(s) will be responsible for legal fees incurred on our part.

If there might be a time when immediate termination could be warranted, and as we both understand it is not easy to find reliable childcare, it is important for policies to be understood and abided by.

Examples of why I would terminate your child's care with or without notice include (but may not be limited to):

- **We decide to move (highly unlikely!).
- **Failure to complete required forms.
- **Lack of parental cooperation.
- **Failure of child to adjust to the center after a reasonable amount of time.
- **My inability to meet the child's needs without additional staff
- **Lack of payment
- **Lack of respect for the provider or other children, by the parent or child
- ** Violence upon any person or child

As we conclude this Parent & Student Handbook, we thank you for choosing **New Vineyard Christian Academy** as a partner in your child's educational journey. Our commitment is to provide a safe, nurturing, and Christ-centered environment where every child can grow academically, socially, and spiritually. We value the trust you have placed in us and recognize that strong communication and collaboration between home and school are essential to student success.
