Hours of Operation

We are open from 6:30am until 6:30pm every day, excluding public holidays. For excursion and incursion days, we do ask that all children be at the centre no later than 9am as this enables us to have our safety talk and prepare for the day.

MEALS

We provide:

Breakfast, morning tea, and afternoon tea along with fresh drinking water throughout the day.

Children will need:

A refillable water bottle and their lunch for the day.

We do have a microwave so where required, food can be heated for lunches.

Please keep in mind we are a nut aware service so please refrain from packing foods that may contain nuts (including foods such as Nutella, chocolate bars, some muesli bars, etc.) Food that is found to contain nuts will be kept in your child's bag and a sandwich will be provided.

LOCATION

Our drop off and collection location is in the school library with access via the pedestrian gate at the front of the school.

The front gate is locked between 8:30am until 3:30pm to ensure that the school grounds are secure during the day. If you are bringing your children after 8:30am or collecting before 3:30pm, please call the service phone on 0434 114 557 when you arrive, and an educator will meet you at the gate to unlock it.
