At Building Blocks OSHC, we believe that every child is unique and deserves individualised attention and care. We encourage creativity, exploration, and learning through play, and we strive to foster a lifelong love of learning in every child. We aim to provide the **building blocks** for life and support each child to be their best self.

## OUR PROGRAMS

We offer a range of programs to meet the needs of children at different stages of development. Our programs before and after school care, holiday care and pupil free days. Each program is designed to provide a safe and nurturing environment that supports the growth and development of each child while ensuring each quality standard and learning outcome is met. Our program each day includes activities that enhance each child's creativity, physical wellbeing, social and emotional wellbeing, cognitive skills, and sustainability, while also providing opportunities for spontaneous play. We provide breakfast, afternoon tea and late snack during the term and all meals excluding lunch in the holidays.

## OPERATION HOURS

We are open Monday to Friday (excluding public holidays) from 6:30am-8:30am and 3:00pm-6:30pm during term time and 6:30am-6:30pm for holiday care.
