Join the Movement. Make hash, not War!

Join **FMS**, actually one of the most important international cannabis events in the world. **With participants and judges from over 35 countries and 11 editions done over 5 continents.** Our different and very unique concept has already reached great audience and within last editions became widely known and popular. Connecting community and professionals is our passion and main goal along with spreading the hash culture all over the planet Earth and one day even further to the **Space and Moon.**
