UNITED CHURCH
OF CHRIST

We are now nearing the end of what is known as the Season of Epiphany in the Christian calendar. The Season of Epiphany commemorates major events in Jesus' life, namely the visit from the Wisemen, his Baptism, and his turning water into wine at the Wedding in Cana. It ends with Jesus' presentation at the Temple.

There are a couple more general meanings of the word epiphany. It can be a religious term that refers to an appearance or manifestation especially of a divine being. So in Greek mythology and Hindu mythology there is a range of epiphanies, the appearance of various gods to bring a message or reveal a judgment.

Lastly, there is the common usage we hear a lot. This is how the Merriam-Webster dictionary puts it:

a (1) : a usually sudden manifestation or perception of the essential nature or meaning of something

I experienced an epiphany listening to Beethoven's 9th Symphony – I saw the truth of God – that would be an example of this definition.

(2) : an intuitive grasp of reality through something (as an event) usually simple and striking (3) : an illuminating discovery, realization, or disclosure

b : a revealing scene or moment

An example of these definitions? Today, I had an epiphany – Winter in New England is no fun.

Epiphanies at their most powerful lead to transformation, to some kind of conversion to a new way of being. In the epiphany experienced by the wise men who come to visit baby Jesus this is certainly true. They come and are changed. They head back home different somehow. They feel closer to God. They experienced a moment of deep peace and redemption and they journey home with a sense of freedom and a deeper insight into the meaning of Grace.

With the Baptism of Jesus by John the Baptist, we can imagine something changed in John in the process of baptizing Jesus. John experienced the real meaning of humility and selflessness in Jesus. He also heard the voice of God claiming Jesus as his beloved.

But I also think Jesus experienced some kind of transformation.

PASTOR'S REPORT – Rev. Don

I continue to focus on Sunday services, pastoral care availability, a religious education offering and having regular office hours. I am averaging 15 hours a week.

As for religious education, we will begin a new book and discuss it Tuesdays, 2 pm at the Triple Moon Cafe. The book is titled *Christianity After Religion* by Diana Butler Ross. It discusses the increasing number of people who self-describe as “spiritual but not religious” and how the church might respond to this demographic change in America.

I have a few things I am contemplating for the future:

1. An post Sunday service, Ask the Pastor/Open

Discussion time where people can stop by with questions, thoughts, ponderings, etc. or just a personal chat with me.

2. Occasionally having worship in the Chapel. It is a nice change of pace and a little more close-knit of an experience.

3. Open Pulpit Night where folks would be invited to come, sign-up, and share music, a prayer, a reading, a sermonette, etc..

Lastly, I have emailed Chad Clark at United Theological Seminary in Dayton about possibly getting some seminarians to preach and officiate services in the future.

NEW BUSINESS

1. Review, make changes, & approve the security plan. Larry has a written emergency/security plan that will be presented to the congregation within the next couple of weeks.
2. Narcan Training. Charlene went to the Shalom meeting on 1/8 and received some Narcan (Nasal) to keep in the office. Formal training will be arranged for the church members that might be interested in learning how to administer Narcan to those in need. It was also discussed that the church does not have a defibrillator. Rick will check on the cost and availability of getting one.

OLD BUSINESS

1. Profile. Work is continuing on the church profile. It is the hope that it will be completed and sent in by the end of January.
2. Cell phone for the minister. Rev. Don now has a cell phone for emergency use. The number is 513-320-7441. The phone will be passed down from Pastor to Pastor.
3. Use and capacity of sanctuary. The capacity of the sanctuary is 190 – 150 for the sanctuary and 40 for the balcony. The rules for the use of the sanctuary will be revisited and updated.

Jesus didn't simply go through the motions during his Baptism. It was a very meaningful experience for Jesus. His Baptism represented Jesus' acceptance of his calling, his ministry, his appearance to the wider public as Son of God. It was a moment where there was no turning back, the point of no return.

Conversion means "turning toward" something. Well, Jesus with his Baptism, where he experienced the anointing of the Spirit, a mystical experience that marked his life, turns toward his mission in the world, his ministry to the world, his message of love for the world. It was a turn to the work at hand, the work of the Father. It was a turn where there was no turning back.

What about our own epiphanies? What about our own insights into the truth of Love, changing our hearts and minds? What about our own conversions, our own deep experiences of God, our own heart-turning toward God?

We often dismiss the reality of conversion, of heart-transformation, of turning toward God, of a heart-decision to truly see Jesus and truly internalize his life and teaching and follow the Way of Love he taught and lived and died for. We also dismiss the reality of experiencing God as we sit and commune with him in prayer and sense the indwelling of the Spirit.

I hope as Epiphany transitions into the sacred season of Lent, you take some quiet time during your days to reflect on all it means to love God and love neighbor which in essence defines the Christian life.

Cheers.....Pastor Don

Ash Wednesday

We begin Lent on February 26 with an Ash Wednesday service in the chapel at 7 PM. As we receive our ashes, a symbolism of our own mortality, we embark on a season of contemplation. For forty days (and the Sundays along the way) we will reflect on ourselves, what we seek and how we might better draw closer to God. This service is brief but meaningful. I hope you will join us.

On Saturday, January 18 we layed to rest our dear friend Mary Hunt. She will be missed by the St. Paul's Community.

Thank you to all who came out the weekend of the 29th to take down the Christmas decorations! It's a big job and takes lots of hands. We appreciate everyone's help!

Hope House Mission

For years, Hope House Mission has dreamed of creating new facilities where we could have a greater impact on the homeless and hurting. Our Main Street Men's Shelter lacks the space and amenities we need. This long-term vision is beginning to take shape and we're excited to announce plans for a new location in Middletown.

- February 23 Rivertown Brewery
- March 29 Shooters Sports Grill
- April 26 Gracies Brunch

The building at 1001 Grove Street has been empty for years and offers a convenient location for a new men's mission to replace our current Main Street location. This move will allow us to serve more individuals and serve them better with new facilities designed to promote life transformation. Our new facility will have 50 Emergency Shelter beds, increasing our capacity to serve the community by 10 beds. In addition, we'll be increasing our permanent supportive housing rooms by 20. These rooms provide residents a home with structure, support and help to people we are serving in our emergency shelter.

Your giving statements are will be arriving this week. If you have any questions when they arrive please contact the office

Answer for puzzle is on page 6

We started a new book for our book discussion group. “**Christianity after Religion**”. Diana Butler Bass is a renowned writer on American religion and the church. Yes, the title is provocative. But it is a wonderful book that delves into what to do amid the age of the struggling church. Join us Tuesday, January 14th, 2 pm at Triple Moon Coffee Company
