SUMMER IS WINDING DOWN

It's hard to believe, but children are already back in school and summer activities are easing up as we prepare to get back into the fall season. Hopefully, we'll get back to more seasonable temperatures as well!

With the advent of the fall season, we certainly hope that this pandemic eases up as well. However, leaning on the side of precaution, we will not resume our coffee hours yet. Stay tuned to when we will be able to get that up and going again.

Sometimes it is difficult to celebrate. What with the pandemic, other illnesses, the unpredictable weather, deaths of loved ones – well you know – the list can go on and on. It seems that finding joy in a day is like pulling teeth! But I look back in the Scriptures and find in Psalms, "This is the day that the Lord has made. Let us rejoice and be glad in it". This reminds me that even though there are varying amount of challenges to face each day, God does give us much to be rejoicing about.

Each seasonal change comes with a special beauty of its own – and this is a gift from God. Watching children get back into the swing of things with their school routines and the joy they have reacquainting themselves with their classmates and meeting new faces, brings a sense of joy to one's heart.

We find many opportunities God gives us to be of service to one another as individuals and as a church. There certainly is a lot of joy offered to those who give of themselves in service to others – and this is a wonderful gift God bestows upon us.

Yes, God does provide us with endless joys for us to partake of and we should be ready and willing to thank Him for these things, instead of wallowing in our rues and regrets that are all so easy to concentrate on. We ought not to waste the time that God gives us to be a real part of this world He created for us – so let's be joyful for all the opportunities, all the wonderful ministries we can become a part of as children of the one true God and as brothers and sisters of our Lord Jesus Christ.

Yes, summer is winding down – but we all have the chance to gear up for wonderful things to come in our life. Are we ready to take that chance that God offers to us?

Shalom,
Pastor Rich

Calling ALL CRAFTERS

If you like to paint, knit, sew, quilt, journal or make cards, some of the ladies in the church are interested in starting a "Crafty Ladies" group. We will meet maybe once or twice a month, to be determined. If you would be interested in a group like this, please see Darlene Adams. A date and time will be determined after we know who is interested and what day works best for all involved.

Right now, we are in the midst of studying the Book of Leviticus. We welcome newcomers to join with us. We meet Tuesdays at 1pm in Friendship Hall.

This month we celebrate Judy Brewer. She has been a long-time member of this congregation and currently serves as Secretary for the Church Council. Judy has been active as part of the Bell Choir. Her dedication and enthusiasm for the ministries of this church are to be admired. We thank you Judy, for all your efforts on behalf of St. Paul's! Our hats are off to you!
