### **About Us**

Moto Visions is an exciting place to create and deliver on customer expectations. We love to WOW the customer. We restore classics, build resto-mods, customize, tune for high performance and build engines. Being part of this team is just plain cool, rewarding and fun!

### **Position**

Auto Electric Technician – This position is the top auto electric technician on the team with a focus on diagnostic, repair and clean installs. This role will work to keep all projects on schedule to meet customer delivery due dates. Leading by example and sharing automotive knowledge is expected. The ideal candidate would have experience in hot rodding, custom interiors and sound systems. Mechanical aptitude is a plus. Familiarity with foreign and domestic and well as late model and vintage technology is expected.

### **Job Description**

We are looking for an experienced auto electric technician to join our expanding creative team. The responsibilities include, but not limited to:

- observe safety regulations and practices,
- perform and complete work in a clean manner,
- ensure the shop remains orderly and safe,
- absorb direction to understand and achieve customer requirements,
- rewiring entire vehicle or just a single circuit,
- identifying, diagnosing and repairing electric shorts and faulty components,
- perform all operations and installations without oversight,
- complete work orders independently while also working well in a team environment and mentoring others,
- possess own tools,
- have a Valid Drivers License.

### **Educational Background:**

- Community College automotive program or High School Diploma
- Trade School Preferred
- ASE Certified desired

### **Location**

San Ramon, California

### **Wages**

Ranging from \$20/hour to \$40/hour based on experience and past success.

### **Join a fun and creative winning team**
