THE SPEAKERS

Dr. Michael Fugaro, VDM, DACVS, former resident veterinarian and equine professor at Centenary University, is the owner of Mountain Pointe Equine Veterinary Services in Long Valley, NJ, and a veterinary surgeon at B.W. Furlong and Associates in Oldwick, NJ. A 1997 graduate of the Pennsylvania School of Veterinary Medicine, Dr. Fugaro is an expert in performance horse medicine and surgery.

Lucile Vigouroux is an equine science student at Centenary University. She can be seen assisting Dr. Jesslyn both at school and in the field, and also manages Leg Up's Facebook page. In the fall, Lucile will relocate to England and begin her graduate studies in equine science to fulfil her dream of teaching equine courses in a collegiate program.

DEMONSTRATIONS BY:

Peak Performance Therapy, LLC, is owned and operated by Carolyn Christenson. A certified equine massage therapist, Carolyn has been providing comfort and freedom of movement to horses for over 12 years. Her services are offered in Long Valley, Chester, Far Hills, and surrounding areas

horsetherapy@optonline.net 973 723 9852

Elite Sport Horse Therapy is owned and operated by Katie Nicoletti and Mike Boyle, both CMWP. Services are offered in parts of New Jersey and Pennsylvania, using the latest, most powerful and effective technology; Magna Wave Pulse Electro Magnetic Frequency (PEMF) machines.
