Previous ownership of a Bengal is not a prerequisite, but please understand that Bengals are a lot like toddlers and puppies and I want my babies and their families to be happy so please research them if you are not familiar with their breed. They are full of energy, love interaction and playing with their people, and demand attention and conversation. Most questions regarding our program can be answered on our website. If you have any other questions please call me at

954-560-7972. Email this completed application to me at marco@ mrbengals.com and put “Bengal application” in the subject line.
