### **THANK YOU**

We are so incredibly thankful for you and for the use of your facilities. There is no way that we could be able to have a Christmas Assistance program without the use of the space! Because of YOU, we are able to make a difference in so many people's lives. In the time that we have been able to use the space at Holy Communion, we have been able to serve over 2, 0000 individuals. Thank you so much for allowing us, trusting us and being so willing to share your space so that we can change peoples lives!
