

Windows 10 End of Life - 10/14/25

What does this mean for your
BUSINESS?

*All Windows 10 PCs will stop
receiving security updates from
Microsoft on this date and will
be vulnerable to hackers and
open to the security flaws that
are discovered.*

Your business will be at risk!

*Don't let this be you!
Protect your business now.*

*Call us at
The High Tech Solution
to make sure your business is
ready for Oct. 14, 2025 and for
all your technology needs!*
