November 2025 Meeting

Amy Bohn
PERK PRESIDENT

PLEASE JOIN US FOR AN INFORMATIVE
MEETING ABOUT THE FUTURE OF OUR
RIGHTS IN CALIFORNIA, BRING A FRIEND

Amy is co-founder and current President of Protection of the Educational Rights of Kids (PERK) and PERK Advocacy, which has a membership of more than 30,000 and growing. PERK advocates for parental rights in Sacramento and Washington, DC. It has a track record of filing and winning multiple lawsuits, protecting the individual freedoms of parents, children, teachers and first responders.

She frequently comments and testifies on legislation, lawsuits and other political initiatives to protect fundamental rights of parents and direct the upbringing and education of their children as well as their medical and religious freedoms.

Most recently **PERK opposed AB1955** – now law – which explicitly bans K-12 school districts from adopting rules that would require informing parents of their child's gender identity/expression without child's consent.
