## -President's Message

### *"You Don't Know What You've Got Until You Lose It"*

*Looking back on January 1, 2020, if someone had told me that before the first six months of the new year had passed, we would have lost the freedom to meet friends for a day of shopping and lunch, to hug our children and grandchildren, to hold a birthday party or a club meeting or to go to a movie or a sports event, I would have wondered if you had in fact, lost your mind. Could you have ever imagined that your elderly relative would die alone in a convalescent home or a hospital and you would not be able to hold a funeral? Did you ever think you would not have the freedom to send your children to school or get your hair done? Somehow, in a short period of time, we have lost all the important things we have always taken for granted. We have even lost the lower half of our faces and the ability to share a smile. Somehow, I never thought of these as freedoms – I thought of them as a way of life and yet they must have been freedoms because they have been taken away.*

*Now they want to take away our guns depriving us of the right to protect ourselves and our families have. They want to take away our freedom of speech in the name of censorship. They want to take away our sense of security by defunding the police; if we are attacked, we lose our sense of safety and security. They want our syrup and our rice. They want to destroy our history and our statues and our constitution. They want to burn our flag and disrespect our National Anthem. They want the hearts, minds, and votes of our children. They want to eliminate our important works of literature and film that tell of the history of our great country because they need to cancel our culture. They want to destroy, loot, and burn down our ability to make a living.*

*They want to take away our choice to go to our neighborhood polling place and cast our votes for the very people who will protect our freedoms. They want to steal our elections by flooding the country with millions of mail-in ballots. They want to destroy democracy. I, for one, do not want to look back on the next new year January 1, 2021, and wonder what the hell happened in the year 2020. We are at war. We are in the fight of our lives for our country, our constitution, and yes- our freedom. It is time to stand and fight and our weapons as responsible citizens are our voices and our votes. Our great President Donald Trump is all that stands between us and them. God help us all, if we have to admit that we didn't know what we had until we lost it!*

## Capitol Update

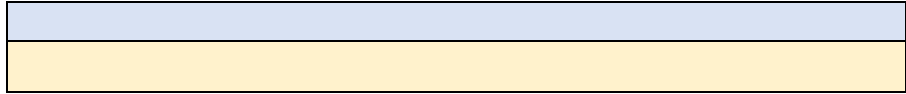

Submitted by: GRETCHEN COX | CFRW LEGISLATIVE ANALYST

- With fewer than 130 days before the election, we thought it was a good time to do a roundup of the various propositions that will appear on the November ballot. Please note this list is not final. While the deadline for signature verification has passed for ballot initiatives, the state legislature could still refer constitutional amendments, and bonds and statutes to the ballot. We will continue to educate and inform you about all these ballot issues through our *CFRW Capitol Updates* published weekly on Thursday. **There are the currently 12 items for you to consider on the November 2020 ballot:** Prop. 14\*—Item # 1880-(19-0022A1) BONDS - Authorizes Bonds to continue funding Stem Cell research and other medical research.
- **Prop. 15\*—1870-(19-008A1) A Constitutional Amendment to Increase Funding for Public Schools, Community Colleges and Local Gov't. Services** - The prop. would change the way commercial and industrial properties are assessed. Increases funding to local governments, public schools, and community colleges.
- **Prop. 16\*—ACA 5 A Constitutional Amendment** that would overturn Prop. 209 which was passed in 1996. It would reinstate Affirmative Action. If passed, state colleges and organizations would again be able to use race as a factor in acceptance and hiring decisions.
- **Prop. 17—ACA 6 A Constitutional Amendment** extending voting rights to felons before their parole is completed.
- **Prop. 18—ACA 4 A Constitutional Amendment** that would allow 17-year-olds to vote in a primary election if they turn 18 before the general election.
- **Prop. 19—ACA 11 The Home Protection for Seniors, Severely Disabled, Families, and Victims of Wildfire or Natural Disasters Act. A Constitutional Amendment** that would change requirements and allowances for transferring property tax base.
- **Prop. 20\*—Item# 1840-(17-0044, Amdt. #1)** Restricts Parole for non-violent offenders. Authorizes felony sentences for certain offenses currently treated as misdemeanors.
- **Prop. 21\*—Item# 1862-(19-0001)** Expands local government's authority to enact rent control on residential property.
- **Prop. 22—Item#1883-(19-0026A1)** Changes employment classification rules for app-based transportation and delivery drivers.
- **Prop. 23—Item#1882-(19-0025A1)** Authorizes State regulation of kidney dialysis clinics. Establishes minimum staffing requirements
- **Prop. 24—1879-(19-0021A1)** Amends Consumer Privacy laws by expanding provisions of the Calif. Consumer Privacy Act (CPPA) of 2018.
- **Prop. 25\*—Item#1856-(18-009)** Referendum to overturn a 2018 law that replaced the money bail system with a system based on public safety risk. \*Propositions already covered in back issues of *CFRW Capitol Updates*.

We hope you are enjoying and learning from our weekly *CFRW Capitol Updates*! It is important you are familiar with all measures because, as we all know, our current Secretary of State gets very creative with Prop. titles, and they do not always reflect the true implications of the measures. ## COMMUNITY APPRECIATION EVENT FOR THOUSAND OAKS POLICE DEPARTMENT

Our District 2 Republican Central Committee recently sponsored a Community Appreciation event for our local Thousand Oaks Police Department.

With the generous support from Westlake Village Republican Women's Federated group, Thousand Oaks and Conejo Valley Women's Federated, all helped to make this event a great success!

A total of \$1,709.00 was collected for the purchase of Wendy's, In & Out, and Jersey Mike's meal cards, and presented to all 146 officers and staff. Each gift included an officer's prayer card. An additional \$300.00 catering gift card for Stonefire Grill was presented and will be used for their annual Christmas party at the station.

Donations were presented in festive balloon baskets to Captain Renee Robles Ferguson and Sergeant Mike Rompal. A total of 30 local officers were present in the briefing room at the Olson Rd station for the event.

Thank you to all who contributed to show that Conejo Valley Republicans support our law enforcement!

## ELECTION 2020

### CALIFORNIA US HOUSE OF REPRESENTATIVES

The 2020 United States House of Representatives elections in California will be held on November 3, 2020, to elect the 53 U.S. Representatives from the state of California, one from each of the state's 53 congressional districts.

Listed here are the districts where, in the March Primary, a Republican candidate received either a little more than half the votes of the Democrat or all Republican votes combined put the candidate in play for the General Election. Also noted are the 2018 results if applicable. Which, IMO, due to the Trump Derangement Syndrome at the time, I feel take a back seat to the Primary break down even though total number of votes were less.

#### THE FACTS:

- \* Top Two Primary causes 7 Districts have 2 Democrats on the General Election ballot; none have 2 Republicans.
- \* Half the number of Republicans voted in the Primary than Democrats, and 159,443 votes were other parties or NPP.

#### THE BREAKDOWN:
