

FJD AT2 Max Auto Steer System

- ✓ Better visibility with a 12.1-inch larger display
- ✓ Enhanced performance with a significantly faster CPU
- ✓ Memory expansion with double RAM capacity

IMPROVED USER EXPERIENCE

The larger screen allows for easier viewing of complex data and applications, providing more information at a glance.

ENHANCED PRODUCTIVITY

Improved responsiveness and multitasking capabilities due to the performance boost, leading to greater efficiency in handling tasks.

SMOOTHER OPERATION

Expanded memory capacity results in smoother operation and reduced lag times, enhancing the overall user experience.

UPGRADE FLEXIBILITY

Added support for wired cameras and an upgrade solution from AG1/AT2 to AT2 Max offering a scalable solution for users' evolving needs.
