Why ADR is the Smart Choice for Your Business

### Key Benefits of ADR with ACR Workplace

#### What is ADR?

Alternative Dispute Resolution (ADR) encompasses mediation and restorative justice — voluntary, confidential processes that resolve conflicts without the cost, time, or stress of formal legal action.

Unlike traditional grievance procedures or litigation, ADR empowers your employees to find mutually beneficial solutions with the help of our skilled mediators.

- Reduce productivity losses from unresolved conflicts

#### Time Efficiency

- Resolve disputes in hours or days, not months
- Keep your team focused on business goals

#### Improved Workplace Culture

- Boost morale and engagement by addressing issues early
- Prevent escalation of disputes like bullying or miscommunication

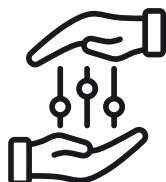

#### Confidentiality & Trust

- Protect sensitive information with our private process
- Rebuild relationships through restorative practices

#### Employee Retention

- Reduce turnover by showing employees their concerns matter
