

Sanera 500 ANOLYTE

Multi-Use Cleaner

Description: READY TO USE. Remove debris and dirt. Spray, pour or fog Sanera 500 Anolyte onto target surface. Rinse if applied to a food contact surface.

Sanera 500 Anolyte is a product made with all natural ingredients not harmful to humans, animals, plants or marine life. No protective equipment is required for use. No known side effects. Can be diluted with water.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Do not ingest. Avoid contact with eyes. For External Use Only.

FIRST AID TREATMENT: In case of contact with eyes rinse with water for 15 minutes. If inhaled, move person to fresh air.

WARNING:

Do Not Mix with any other janitorial, industrial, household cleaning or sanitation product.

Sanera 500 Anolyte does react over time with some metals and may cause corrosion. Unless a metal has been tested for wet exposure to hypochlorous acid care should be taken to avoid prolonged immersion or contact. Test surfaces for colour fastness.

Do not freeze. Store at room temperature out of direct sunlight. Keep container closed when not in use.

ACTIVE INGREDIENTS: Hypochlorous Acid
