

Sanera

Cleansing Wash 24W200

Natural Cleaning Wash designed to Cleanse & Refresh
Aids in the Natural healing of your skin

CAUTION:

For External Use Only on body, face & hands. Avoid contact with eyes.

DIRECTIONS:

READY TO USE FORMULA

DO NOT DILUTE. Apply as a spray or pour on the target area, rub or let dry.

First Aid Treatment: In case of contact with eyes rinse with water for 15 minutes.

Storage & Handling: Store at room temperature in the original container for best results.

Health Canada's Natural Health Products ingredients database includes Hypochlorous Acid.

Your body also produces Hypochlorous Acid as a means of fighting infection. Hypochlorous Acid in this container is made from Sodium Chloride (table salt) and Water through a process known as ElectroChemical Activation (ECA).

INGREDIENT: Hypochlorous Acid
